You are cordially invited to have Breakfast with members and friends of the Wisconsin Indian Education Association.

The Breakfast will be held on Wednesday, February 12, 2014 at 8:00 A.M. at the Madison Best Western Inn on the Park – “Top of the Park” room.

W.I.E.A. is a non-profit organization of Indian leaders devoted to the promotion of Pre-K to higher education for Indian people in Wisconsin. The Board of Trustees and membership consists of professional educators, administrators, students and grass roots individuals who are working together to improve educational opportunities for Indian students on reservations and urban areas throughout the state.

We're hoping to have an informal get together that will provide us with the opportunity to share with you issues and concerns regarding Indian education at all levels.

Please RSVP by February 3rd by emailing [vnuske@mitw.org](mailto:vnuske@mitw.org), or calling (715) 799-5110.
